

Evan Lin (Dailin Jia)

Photography Assistant / Sports Photographer / Second Shooter

Preferred name: Evan | Kensington, Sydney NSW 2033 | 0412 522 985 | jiaedwin0605@gmail.com | Portfolio: evanlin.site/photography | UNSW Student

PROFILE

Sydney-based photographer with three years of hands-on experience, focused on portrait and street photography with a strong eye for composition, light and visual style. Comfortable working with people, adapting to location and changing conditions, and taking a shoot from capture through selection and delivery. Seeking casual, assistant, second-shooter or junior photographer opportunities with Sydney photographers, studios, clubs and creative teams.

KEY SKILLS

Portrait and street photography
Composition, light and visual storytelling
Camera and lens product knowledge
Reliable file handling and attention to detail

Sports and action photography
Adobe Lightroom and Photoshop
Calm communication and subject direction
Comfortable bringing personal equipment on location

RELEVANT EXPERIENCE

Independent Photographer, Sydney

Three years

- Built a personal portfolio primarily around portraits and street photography, with an emphasis on mood, composition and authentic moments.
- Plan and execute shoots independently, including location decisions, camera setup, subject interaction, image selection and post-production.
- Use Lightroom and Photoshop for culling, colour, tonal adjustment, retouching and final delivery.
- Developing a sports photography focus and available for training, club games, events and content assignments, including evenings and weekends.

Technology Projects and Operations Experience

Technical background

- Strong process-following, documentation and problem-solving habits from team-based software and operations work.
- Fast learner who can work independently, communicate clearly and take ownership of practical tasks on a busy set or event day.
- Comfortable learning a studio's workflow, naming conventions, backup process, safety requirements and client standards.

EQUIPMENT

Personal kit available for location work: Canon 300mm f/2.8; Sigma 135mm f/1.8 Art; Samyang 35-150mm f/2-2.8; Sigma 100-400mm f/5-6.3 DG DN; Fujifilm GFX 100; Panasonic Lumix S9 and S5II; plus additional Canon, Sigma, Tamron, Panasonic, TArtisan, Takumar and Laowa lenses. Full gear list: evanlin.site/photography#gear.

EDUCATION

University of New South Wales (UNSW) - Student, Sydney NSW
